

Vascular Territory's

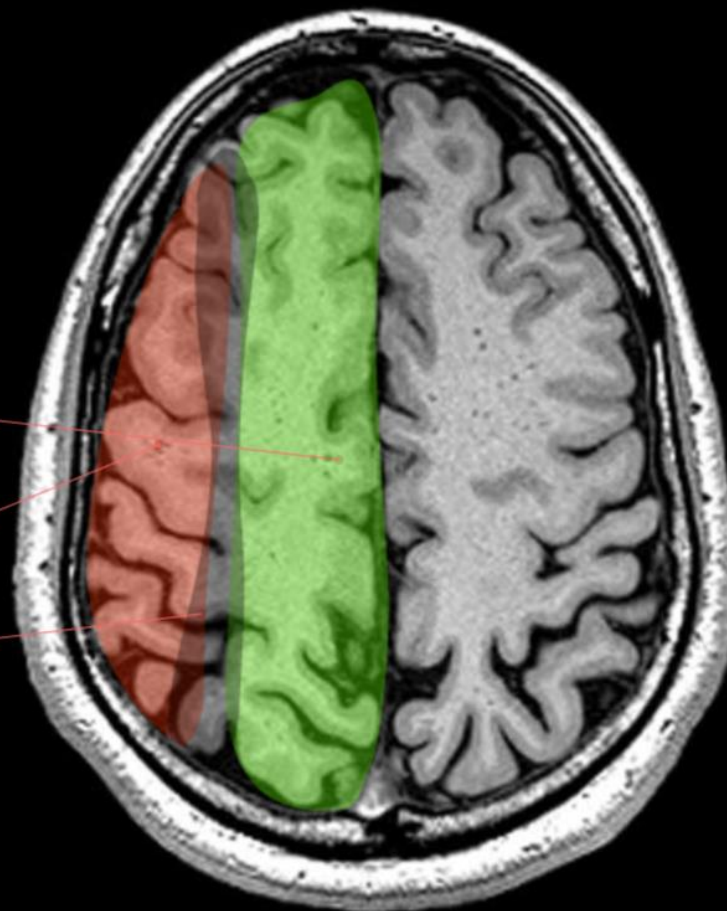

Illustrations : Dr. A. micheau

Territory of anterior cerebral artery (cortical branches)

Territory of middle cerebral artery (cortical branches of M...)

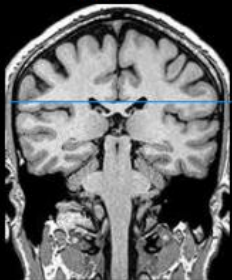

Cortical vascular watershed zone

Sagittal

Coronal

3D

Territory of anterior cerebral artery (cortical branches)

Territory of lateral lenticulo-striate arteries (M1-s...)

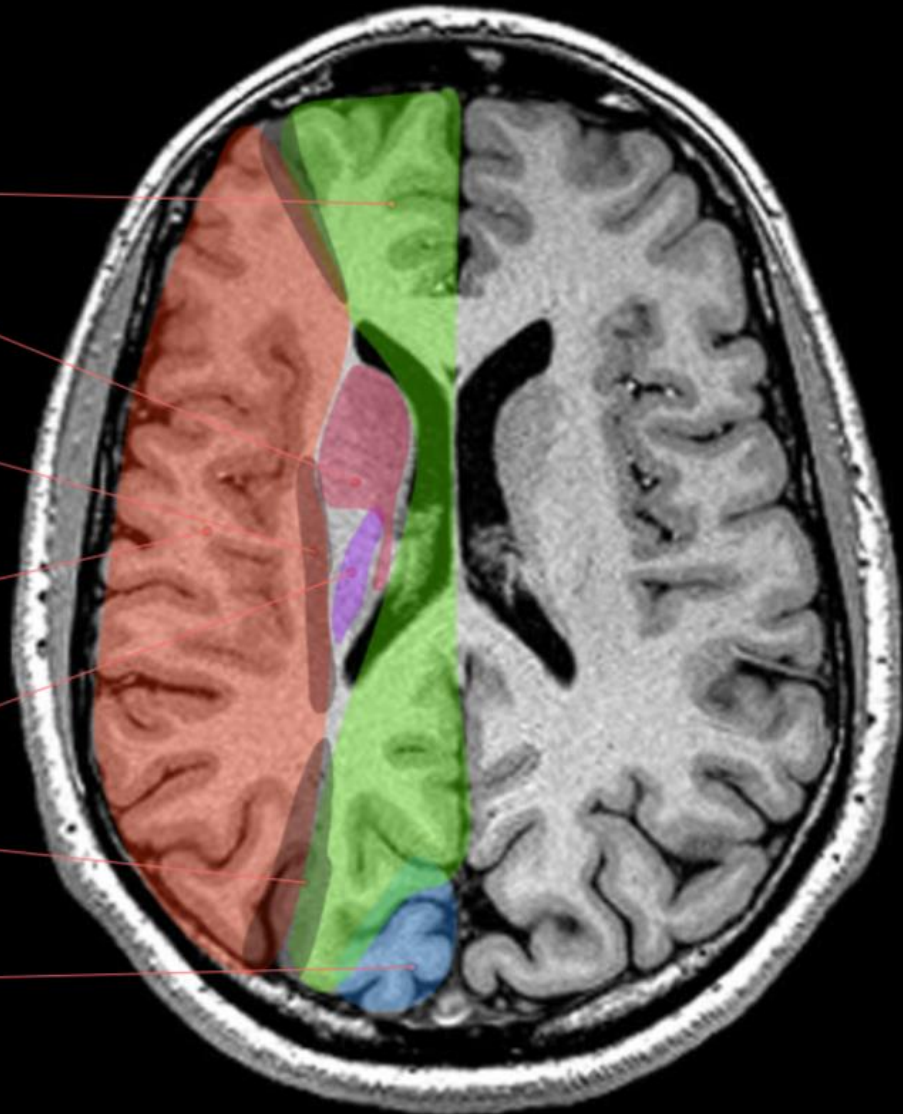

Deep white matter vascular watershed zone

Territory of middle cerebral artery (cortical branches of M...)

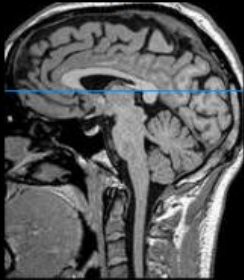

Territory of anterior choroidal artery (AchA)

Cortical vascular watershed zone

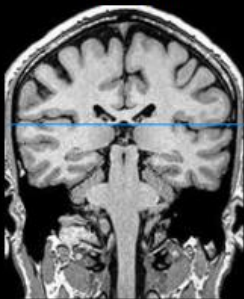

Territory of posterior cerebral artery

Sagittal

Coronal

3D

Territory of anterior cerebral artery
(cortical branches)

Territory of medial lenticulo-striate
arteries and Heubner artery (Deep ...)

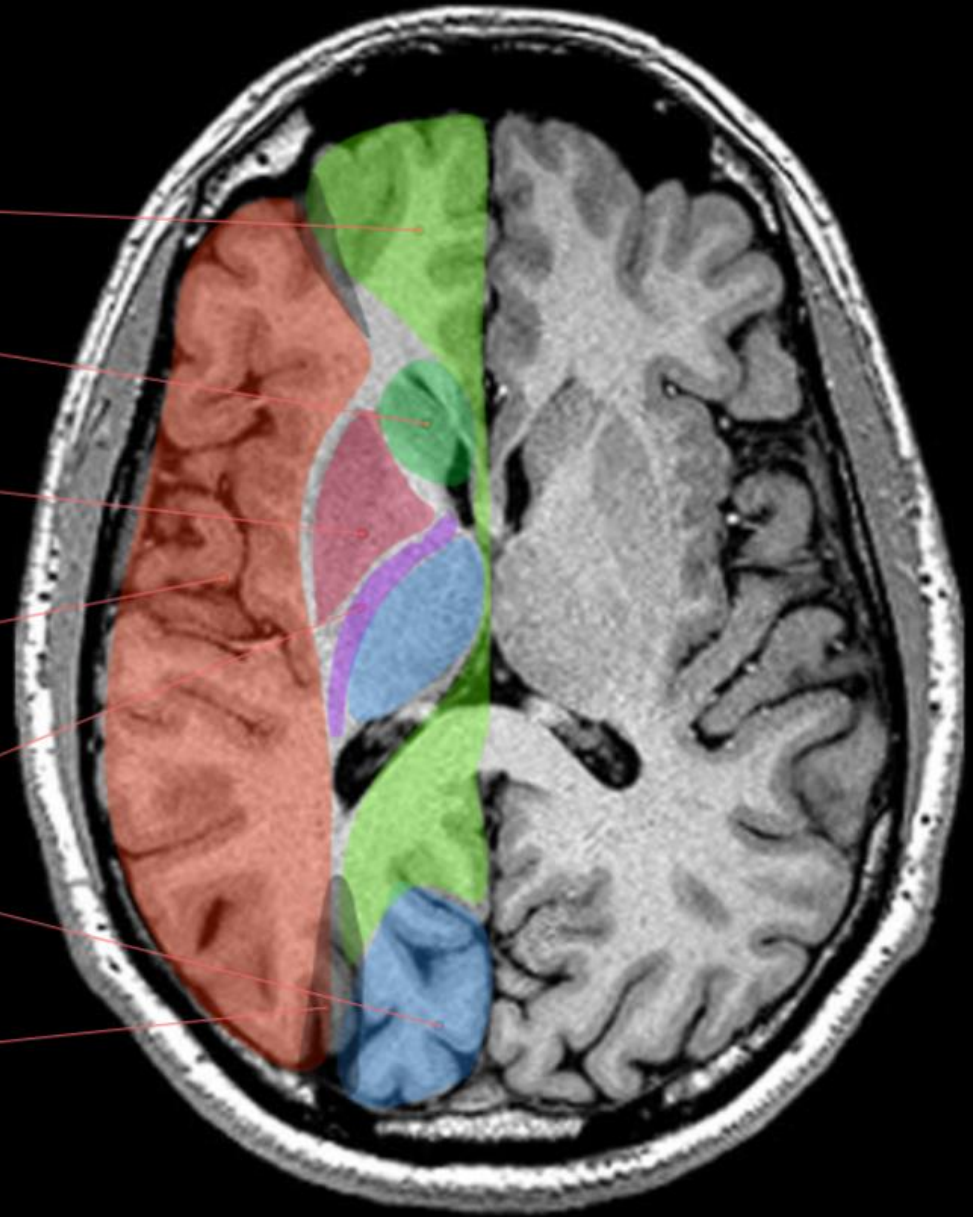

Territory of lateral lenticulo-striate
arteries (M1-segment of MCA)

Territory of middle cerebral artery
(cortical branches of MCA)

Territory of anterior choroidal artery
(AchA)

Territory of posterior cerebral artery

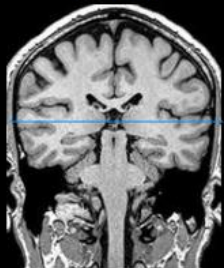

Cortical vascular watershed zone

Sagittal

Coronal

3D

Territory of anterior cerebral artery
(cortical branches)

Territory of medial lenticulo-striate
arteries and Heubner artery (Deep ...)

Territory of lateral lenticulo-striate
arteries (M1-segment of MCA)

Territory of posterior communicating
artery

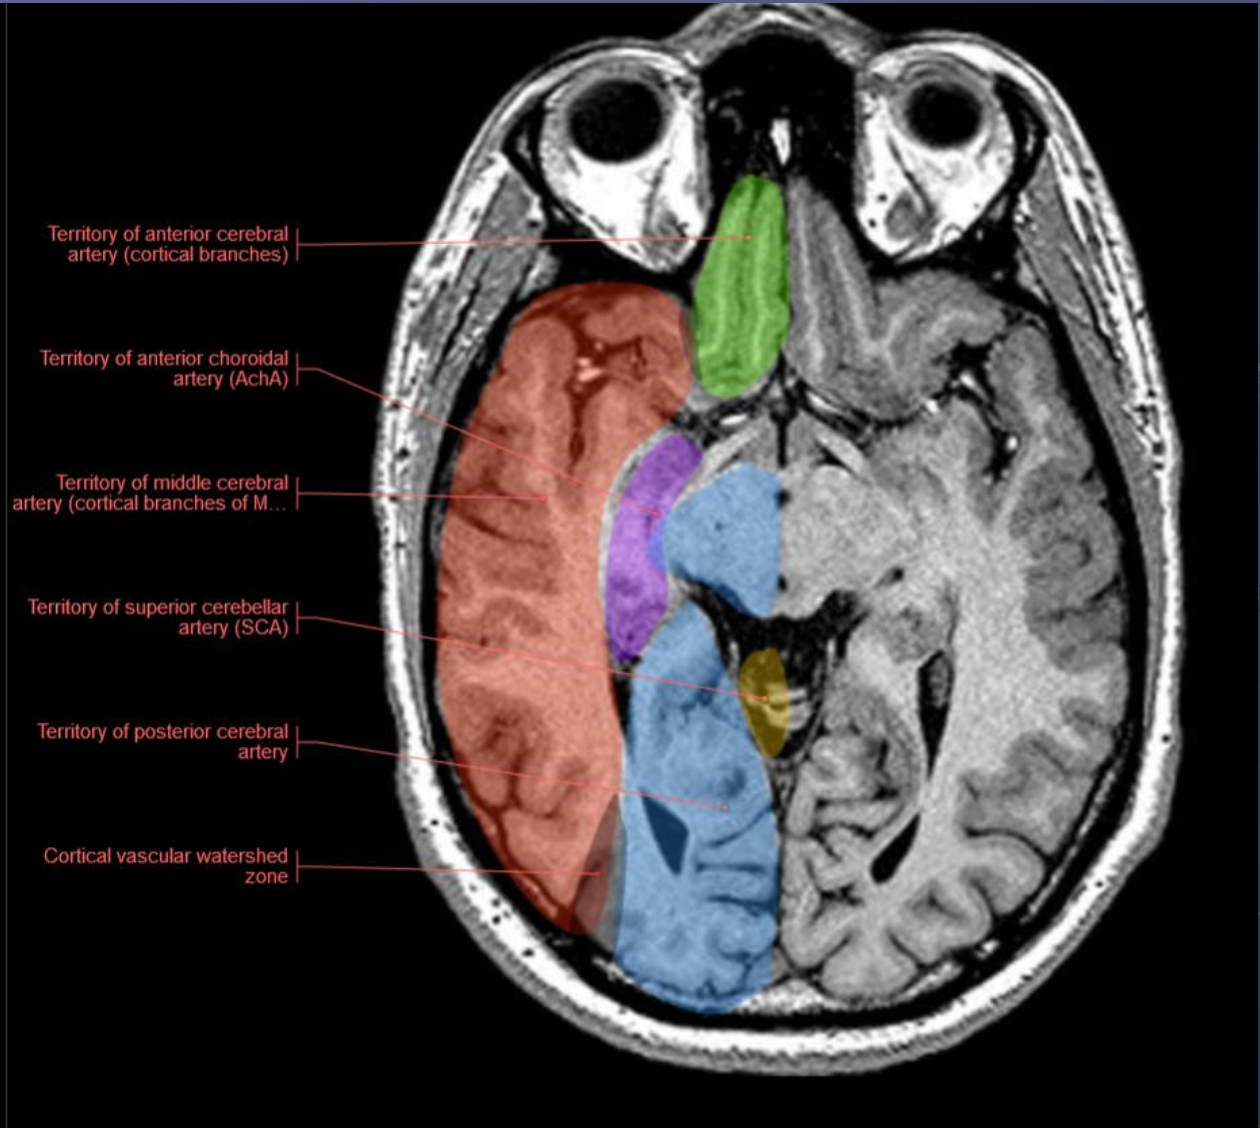

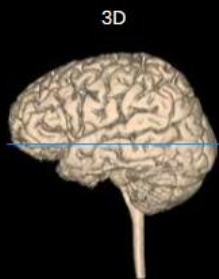

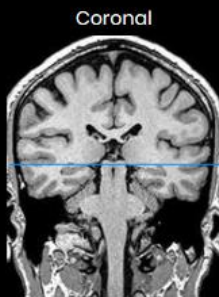

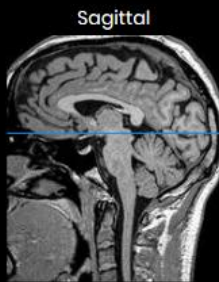

Territory of middle cerebral artery
(cortical branches of MCA)

Territory of anterior choroidal artery
(AChA)

Territory of posterior cerebral artery

Cortical vascular watershed zone

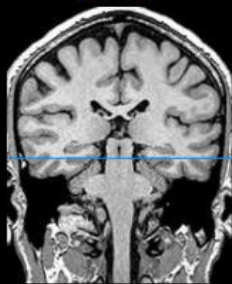

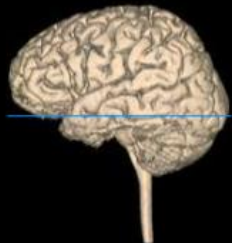

Sagittal

Coronal

3D

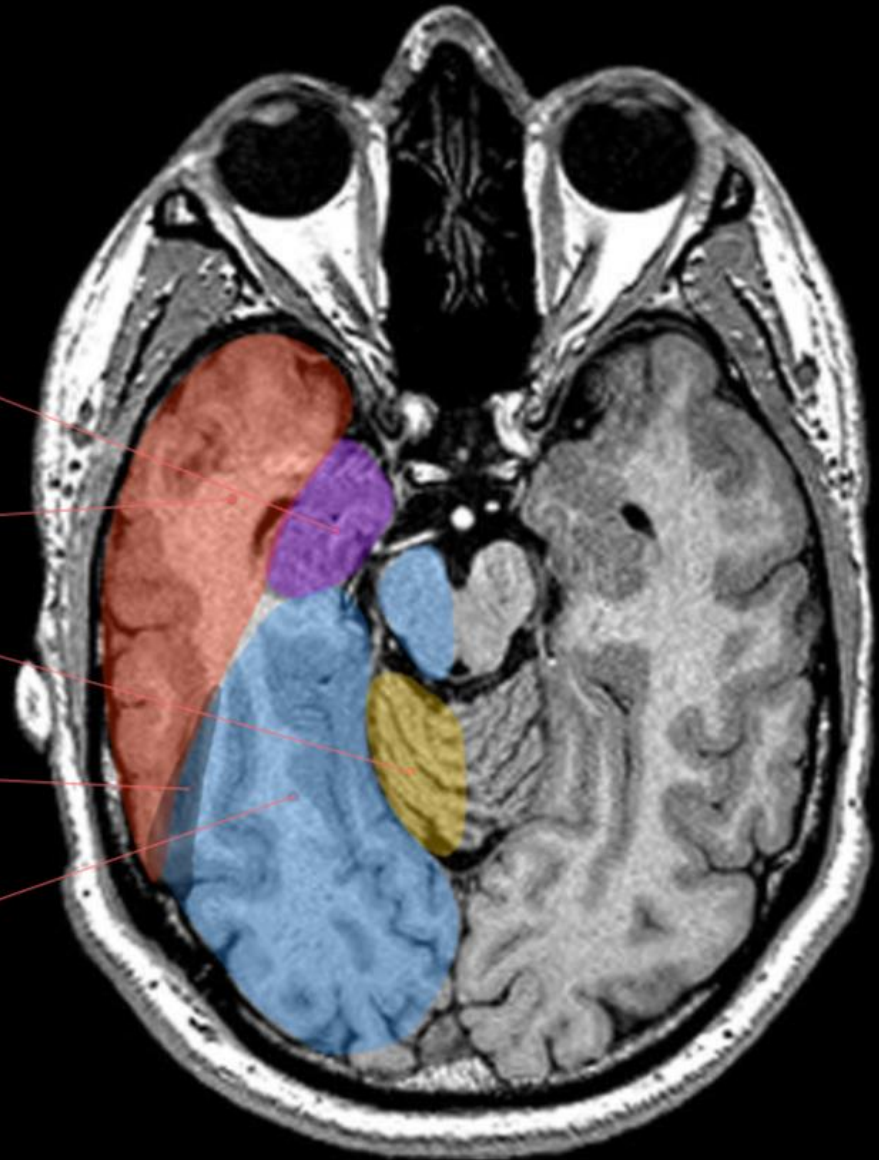

Territory of anterior choroidal artery (AchA)

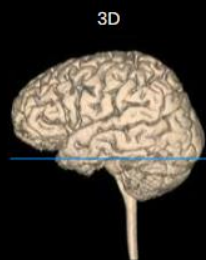

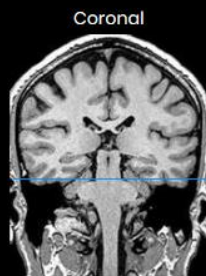

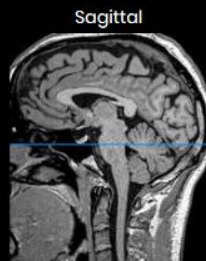

Territory of middle cerebral artery (cortical branches of M...)

Territory of superior cerebellar artery (SCA)

Cortical vascular watershed zone

Territory of posterior cerebral artery

Territory of middle cerebral artery (cortical branches of M...)

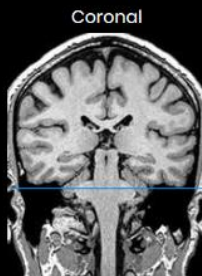

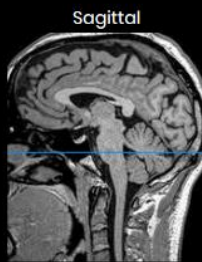

Territory of branches from basilar artery

Cortical vascular watershed zone

Territory of superior cerebellar artery (SCA)

Territory of posterior cerebral artery

Territory of middle cerebral artery (cortical branches of M...)

Territory of branches from basilar artery

Territory of anterior inferior cerebellar artery (AICA)

Territory of superior cerebellar artery (SCA)

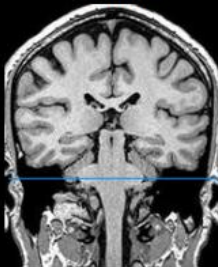

Territory of posterior inferior cerebellar artery (PICA)

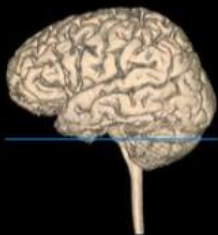

Sagittal

Coronal

3D

Territory of middle cerebral artery (cortical branches of M...)

Territory of branches from basilar artery

Territory of anterior inferior cerebellar artery (AICA)

Territory of posterior inferior cerebellar artery (PICA)
